Congratulations on purchasing this manual which is a great refresher from the Crash Course and will see how much you have remembered.

For most people, financial freedom is only a dream. But for you it is much closer than you could imagine.

Property is the second best thing to invest in. The number one is _____.

Please Circle True or False

- | | |
|---|---------------------|
| Good school grades are vital for a good career. | True / False |
| University will guarantee a good job for life. | True / False |
| There is such thing as a 'good job for life'. | True / False |
| All debt is bad debt. | True / False |
| Banks are a safe place for money. | True / False |
| Hard work is the key to success. | True / False |
| Old age retirement is the good life. | True / False |

These statements are what we call the ___ lies that society has led us to believe and will never lead to financial freedom but only a slave to work.

There are two types of income. _____ income and _____ income.

Active income is where you work once and get paid _____. You are trading your _____ for money.

Passive income is where you work once and get paid _____. The easiest way to generate passive income is through _____.

The definition of financial freedom is when your _____ is equal to or greater than your _____ expenses.

To be ultimately financially free it must exceed your _____ lifestyle.

_____ is the best time to invest in property. After _____ comes

"Samuel is a man on a mission and his training is phenomenal. ZERO will change your life, it did mine!"

Kay Desai

"Once you have the knowledge nobody can ever take it away so for me this was a life long investment. I am delighted with the property I found for £79,000 on the Deal Finding Extravaganza and ready to find some more using the same strategy."

Diana Nagy

"Samuel has opened so many doors for us within property and I have loved every minute of training with him."

Hong Meng

"When I first met Samuel I was £16,000 in bad debt and working crazy hours. Thanks to following the steps in his training programmes I am now debt free and my quality of life is much better."

Derrick Neufville

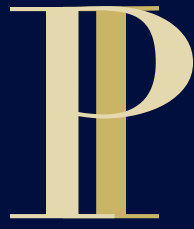

"Due to personal finance, I almost didn't sign up for DFE and ZERO but I would have been an idiot not to. With Samuel's help I secured a no money down deal that means I can now live rent free for life."

Seb Sagar

"I didn't realise buying houses with no money would be so feasible until I attended the ZERO Programme. My son has just secured his first Lease Option Agreement."

John Luisada
